Community Meeting and Feast!

Don’t Miss It!

When: August 16 2019 @ 6pm
Where: Community Centre

Please join us for a presentation on glacier-ocean research conducted during the 2019 Vagabond sailboat research cruise, and to discuss how these changes might affect your community, and how you can become involved in the research.

Also join us for a feast and fun after the presentation (and to welcome back the Brossier family (Eric, France, Leonie, and Aurore) of the Vagabond!

Hosted by scientists from the 2019 Vagabond Research Cruise (Andrew Hamilton, Dave Burgess, Maya Bhatia, Erin Bertrand, and Gabriel Joyal)
